

1 between certain staff members of the Church of Scientology and
2 their attorneys.

3 4. The above referenced meeting took place on September
4 29, 1980. I transcribed the tape recording during a period of
5 approximately one week following the meeting. I thereafter made
6 a copy of the transcription and filed it, along with the
7 original of the transcription, in the working files pertaining
8 to that office. The tape recordings consisted of four separate
9 cassette tapes which I placed in the bottom drawer of my desk.

10 5. At no time did I give either a copy of the transcript
11 nor the original tape cassettes to Gerald Armstrong. After the
12 group that was assigned to study corporate affairs finished
13 their tasks, we packed their files and equipment and shipped it
14 to another location. I did not notice at that time that the
15 subject tape recordings were missing because of the volume of
16 the materials that were packed and shipped.

17 6. To the best of my knowledge and recollection, no one
18 ever listened to the original tape with the exception of myself
19 when I transcribed it, nor do I recall anyone ever requesting to
20 see a copy of the transcript while it was in my possession.

21 7. I am unaware of how Gerald Armstrong came into
22 possession of any of the cassette recordings or of a copy of the
23 transcript that I prepared. This was done entirely without my
24 knowledge or permission.

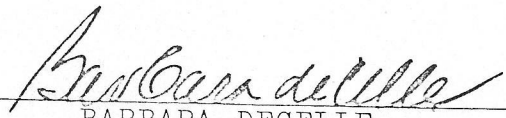

25 I have personal knowledge of the facts set forth above,
26 except as to those facts stated on information and belief, and
27 as to those I believe them to be true.
